

***Dear Mazara, your beefeaters
Went to all cafés in town
Stuffed ourselves with tea and coffee
More than we could swallow down***

***„Café Kiess“ did not give hile)sses
„Café Michel“ had good cake
„Café am Dom“ was underwhelming
Don't go there for Allah's sake!***

***By Allah, it's Al'Wurzburga
It's Café in Al'Wurzburga
It's also bizarre in Al'Wurzburga
We're fed up – with Al'Wurzburga!***
