INGELSRUD
GUIDE AND SCOUT CENTRE

Welcome to Ingelsrud Guide and Scout Centre!

What...

We offer a wide range of activities at and around the scout centre. The facilities include a camp site with a toilet building, drinking water, indoor accommodation, a lake for swimming and canoeing, possibilities to order food from our local grocer, and of course the great Ingelsrud Experience.

Where...

Ingelsrud Guide and Scout Centre is located nearby a small town called Skotterud in Hedmark county close to the Swedish border. If you travel by car, Ingelsrud Guide and Scout Centre is 2 hours drive from Oslo and about 20 minutes from the Swedish small town Charlottenberg.

When...

The best time to visit Ingelsrud Guide and Scout Centre is from early June until late August. The Guide and Scout Centre will be served by volunteer staff during the weeks 28-32 in the summer of 2008. The camp site and buildings are available for rent the rest of the year as well, with or without staff.

You'll find more information at our web site www.ingelsrud.no or in our brochures.

See you next summer at Ingelsrud!
